Advertising Lottery applications are administered and processed by the Lotteries and Gaming Authority on behalf of the A/Director (Lotteries).

GENERAL CONDITIONS

The granting of a licence of an Advertising Lottery game is subject to the following conditions and any other conditions that the A/Director (Lotteries) may from time to time deem expedient:

1. That the following information should be provided to the A/Director:
 - a) retail value/nature of prize/s that can be won;
 - b) closing date for receipts of entries;
 - c) any conditions applicable, including any limitations on entries or prizes;
 - d) number of prizes which can be won and number of prizes of any one type if more than one type of prize is on offer;
 - e) the rules governing who is eligible to participate and the award of prizes;
 - f) the time period during which prizes must be collected (not more than one month from draw date);
 - g) details of prize-winning entries.
2. That the A/Director (Lotteries) shall have the right to send his representative for the selection procedure for the award of prizes at the expense of the Licensee, at a charge of €35.00 payable to the Lotteries and Gaming Authority. Draws held at the Authority shall be charged at €12.00 per draw;
3. The prize/s which can be won in such game shall not consist of money or cheque or similar document entitling the holder to convert it into money;
4. That in all pertinent advertisements, the licensee shall quote clearly the number of the LGA Licence;
5. That persons in the employ of the licensee or persons in any way connected with the game shall not be allowed to participate therein;
6. That immediately after one month from the date on which prizes were awarded, the licensee shall furnish the Department with the names and addresses of the prize-winners and to state whether the prize/s have been claimed/collected by the winner/s;
7. All prizes that remain unclaimed and, or uncollected after one month from the date on which prizes were drawn, the value of which shall be paid to the Ministry of Finance through the Lotteries and Gaming Authority;
8. The A/Director may not grant a licence if the aggregate retail value of all prizes that can be won in such game/s exceeds the amount of €46,587.47.
9. The licensee may not surrender/change the Advertising Lottery licence during the licence term without the prior approval in writing of the A/Director (Lotteries), and if such approval is given, the licence may then be surrendered/changed only subject to such terms and conditions as may be specified by the A/Director in his approval. This licence may not be assigned or transferred to any other person;
10. The licensee shall pay the Ministry of Finance a rate of duty of **twenty-five per centum (25%)** on the aggregate retail value of prizes offered in this game for which a licence has been granted.

Failure to abide by these conditions will be considered as a breach of the Public Lotto Ordinance and renders the defaulters to the penalties contemplated therein.

This LICENCE does not exempt the Licensee from obtaining any other permission that may be required under the Police or other Laws.
